“For a difficult journey, minimal benefits, bitter cold, long months of darkness, constant fatigue and hardship. Most will quit. Honor and recognition in case of success.”

– University of Washington’s men’s rowing crew ad

Growing a business is hard. There are some who say they want to succeed, there are others who do *everything they can* to succeed.

Being part of Show Me Business Builders Breakfast Club is not easy. We require you be at meetings weekly, and our meetings are at 7 AM. We require that you recommend other members and help them find business. We require you to be ethical, honest, and motivated to be invested in growing your company. Not many business owners or managers *really* are.

In return, we will provide you with referrals and help you build your business. During this process you may even make a few loyal friends.

If you have the motivation, drive, ethics and attitude to join us, we invite you to come to a few morning meetings. We meet at 7 AM every Wednesday at the Logue’s Restaurant in Hannibal for breakfast and a meeting. We are finished by 8 AM allowing you to get back to running your business.

“Opportunities don’t happen. You create them.”

– Chris Gosser

If you like what you find, we ask that you pay \$120 to join and \$50 per month for dues and breakfast. That’s the easy part. Each week you’ll fill out a form telling the group who you met with and what business you brought in. We keep track of numbers to help keep you accountable.

In 2025, we (conservatively) generated over \$167,000 in business, attended over 700 business-to-business meetings, and generated hundreds of referrals.

We are a non-profit business group. We have no religious, political, or philanthropic agenda. Show Me Business Builders is an independent business group helping its members through referrals and actively working to promote their products and services throughout the community.

Join us as our guest at one of our 7 AM breakfast meetings every Wednesday at Logue’s Restaurant, 121 Huckleberry Heights Drive in Hannibal, Missouri.

For the few of us who really want business growth. Talk with any member to find out more or to join. Take an application and come join us for breakfast!
